

Imran Rasheed

Imran Rasheed is an internationally-trained professional who greatly enjoys using his extensive expertise in Information Security and Cyber technology to drive innovative and groundbreaking changes in organizations of all sizes. Contributing his vast and expansive knowledge in technology for the betterment of companies, organizations, and governments is, by far, one of the most fulfilling aspects of his career. With over fifteen years of field experience under his belt, Imran is a celebrated Information Security Specialist renowned for his quick solutions, trailblazer mindset, and ability to adapt and work flexibly.

After graduation in Islamabad, Pakistan, and worked for various renowned organizations, including Geo TV and Nadra, before moving to the United Kingdom to further his education. He earned a Master of Science in Computing and Communication from the University of Greenwich in London and went on to serve a variety of blue-chip companies, including BT, Ericsson, IBM, and Hewlett-Packard (HP). He then shifted focus to the financial sector and provided valuable services to Barclays Bank, Royal Bank of Scotland (RBS), Lloyds Bank, and HSBC in the United Kingdom, ABN AMRO Bank in the Netherlands, and Länsförsäkringar Bank (LFAB) in Sweden. Passionate about applying his expertise gathered in Europe to

organizations within his home country, Imran moved back to Pakistan, where he is currently working as a CISO (Chief Information Security Officer) in a Law enforcement Agency.
